Transmission Fluid

2004 NISSAN/DATSUN XTERRA Transmission Fluid. Using a properly formulated transmission fluid for your NISSAN/DATSUN XTERRA can protect your vehicle from costly problems down the road. AMSOIL transmission fluids offer the best protection for your XTERRA, even in the most severe driving conditions. 2004 Nissan Maxima transmission problems with 857 complaints from Maxima owners. The worst complaints are jerks when shifting, transmission failure, and transmission slips. Welcome to NICO! Differential fluid I mentioned in the other thread. I recommend flushing (using the BG powered machine that cycles through the gears under power), or at least changing as much of the transmission fluid as possible every 30k miles. Nissan Frontier owners have reported 9 problems related to manual transmission (under the power train category). The most recently reported issues are listed below. Also please check out the statistics and reliability analysis of Nissan Frontier based on all problems reported for the Frontier.
