The Chevrolet Corvette, colloquially known as the Vette or Chevy Corvette, is a historically front engine, rear drive, two-door, two-passenger sports car manufactured and marketed by Chevrolet across more than 60 years of production and seven design generations —with GM confirming in early 2019 an eighth generation Corvette in a rear-mid-engine configuration. When it comes to classic American automobile manufacture, the name of Dodge is one that will be mentioned time and again by connoisseurs. The Dodge brand is seen by many to represent the American car at its grittiest. Few companies have had the impact on the landscape of American automotive engineering that Chrysler has had. Hailing from the United States' own Motor City of Detroit, Chrysler has produced at least two of America's main brands of car – Dodge and Jeep, which have each gone on to symbolize the most American elements of the automobile.
