

Download Akira Class Technical Manual

Further, the addition of another photon launcher after the initial class launching was also my idea, in an effort to distinguish between the published specifications for the Akira Class in the DS9 Tech Manual and what we've see on screen. The Akira-class was a class of Federation starship that was in service with Starfleet by the early 2370s. Utopia Planitia Fleet Yards was one of the sites at which this class was constructed in 2371. (VOY: "Relativity") Akira-class starships were featured prominently in the Battle of Sector 001...information in his book.
