The family today has come to be defined by individuality and choice. Defining the Family: Law, Technology, and Reproduction in an Uneasy Age provides a sweeping portrait of the family in American law from the nineteenth century to the present. The family today has come to be defined by individuality and choice. "Defining the Family: Law, Technology, and Reproduction in an Uneasy Age provides a sweeping portrait of the family in American law from the nineteenth century to the present. Janet Dolgin charts the response of the law to modern reproductive technology as it both transforms our image of the family and is itself transformed by the tide of social forces." --BOOK JACKET.
