

Download Manual For Kuhn 700 Gmd Hay Cutter

10 foot disc mower no caddy? - posted in Machinery: OK so its between a Kuhn 800 or a Vicon/Kubota 10 ft 6 inch. I have a Kubota 9540 88 hp at the PTO. Can I really put that big sucker on the 3PH or should I stick with a 9 footer. I really dont want a caddy set up because one of my fields is narrow and I had a hell of a time with the JD Moco turning corners. Find your Misc.
