

Download Nursing My Heartbeat My Dream My Journey My Success

I m 4 years old – taking my sister s temperature with a Popsicle stick, and listening to her heartbeat with a stethoscope made from braided yarn and a wooden spool. I m wearing a white nursing cap with red trim made out of construction paper. I didn t know then that this simple act of play ...Hi guys! This blog chronicles my journey as a nursing student. The beginning of my blog involves some of my posts as a prenursing student. I was accepted into my college's school of nursing in November of 2012 and I will begin coursework in January of 2013. This is my adventure in pursuing my dream career of a nurse. We work hard for the money: My perspective on nurse salaries. ... a BSN in 1969 in Michigan but have always worked in Cleveland, OH, always in perinatal care. I became a CNS IN 1980. My journey in nursing has allowed me to practice at the bedside, teach in both ADN and BSN programs, develop and maintain (for 18 years) a private nursing practice ...This song by Nesbeth coming to run the whole Christmas!!
