

Download Soa Governance Todd Biske

SOA Governance book ([...]) was good introduction into governance topic and how governance is and has to be connected into Service Oriented Architecture. Mr. Todd Biske ([...]) author of the book, showed the evolution of the SOA and SAO governance on the virtual company "Advasco".SOA Governance is the key to a successful adoption of Service-Oriented Architecture. It is the process of establishing a desired outcome for your efforts, and then leveraging people, policies, and processes to make that outcome a reality. This includes technical policies and standards that guide ...If I did embark on this project, my goal would be similar to my goal on my SOA Governance book: keep it easily consumable, yet practical, pragmatic, and valuable. That's part of the reason that I chose the management fable style for SOA Governance, as a story is easier to read than a reference manual.Todd Biske on SOA Governance - 'It's About People, Policies and Processes' DZone had a chance to catch up with Todd Biske, author of the recently published SOA Governance Refcard. In this...
