

Download Study Guide And Intervention Cumulative Review

ACRM | American Congress Of Rehabilitation Medicine serves people with disabling conditions by promoting rehabilitation research and facilitating information dissemination and the transfer of technology. We value rehabilitation research that promotes health, independence, productivity, and quality of life for people with disabling conditions.

OVERVIEW The Truancy Intervention Procedures Handbook is compiled each year by the Federal & State Compliance Office (FASCO) to provide relevant information on truancy laws, required actions, and Key Points.

Question Does cervical cancer screening using primary cervical human papillomavirus (HPV) testing compared with cytology result in a lower likelihood of cervical intraepithelial neoplasia grade 3 or worse (CIN3+) at 48 months?.

Findings In this randomized clinical trial that included 19 009 women, screening with primary HPV testing resulted in significantly lower likelihood of CIN3 ...
